### **City Events Bring Outdoor Fun to Family Movie Night**

LONE TREE – Q: What do you get when you combine an evening at Prairie Sky Park with family movie night? A: Big Screen on the Bluffs.

The City of Lone Tree plays host to two evenings of fun and entertainment in August that will surely please the entire family. On Saturday, August 14, 2010, the City will feature *The Blind Side*, a 2009 non-fiction American drama/sports film about Michael Oher. Oher was a disadvantaged boy who became an All-American football player and first round NFL draft pick with the help and support of a compassionate adoptive family.

On Saturday, August 28, 2010, the event will open at 6:30 with a fun, interactive performance by local artist, Doctor Noize. Cory Cullinan, under the guise of his alter ego, Doctor Noize, plays multiple instruments while arranging and recording songs, on the spot. His engaging and innovative approach to music will delight kids and adults alike. More information about Doctor Noize can be found online at [www.doctornoize.com](http://www.doctornoize.com).

Following the performance by Doctor Noize, attendees will enjoy a showing of *Planet 51*. The 2009 animated movie features an American astronaut who lands on Planet 51 thinking he's the first to find it. To his surprise, the planet is inhabited by little green people who fear he's there to take over their planet.

Each movie is projected onto a 24 foot inflatable movie screen located on the multipurpose playing field of Prairie Sky Park, adjacent to the Lone Tree Recreation Center. The park opens at 6:00 pm with the movie beginning at sundown. Be sure to come to the park early and take advantage of the food vendors, a Passport to Culture craft activity, face painters and airbrush artists.

During both events, the Lone Tree Youth Commission will be collecting gently used children's, youth and young adult books and DVDs as part of their Media Drive to benefit Sky Ridge

Medical Center. For more information about the Media Drive and the Youth Commission, visit [www.cityoflonetree.com/youthcommission](http://www.cityoflonetree.com/youthcommission).
